Finale

Thank you to all of the dancers who are taking part in today's show; you have all worked really hard to learn and perfect everything for today's performance and we are super proud of you all.

Thank you to everyone who has helped with preparing for and then running today's show.

Taking tickets at the door, laying tap mats, helping back stage, and lots more. We appreciate all the help we receive, we couldn't do it without you. A special thank you to everyone who has helped with fundraising for the show. Without you, we would have no costumes on stage! Fundraising really is vital to putting on a show and we appreciate all help from dancers, parents, friends and extended families! As you watch today's show, please do let the dancers hear how impressed you are by clapping, cheering and stamping your feet!

Classes are on as normal for the next two weeks.

We will then take a two week holiday for Easter before we start working towards dancing exams.
